RESOLUTION READ BY HARRY RYAN CONCERNING ODIS CARMICHAEL

Judge Wheeling and members of the Weakley County Court-- If I understand the duties of the Farmer Feeldman Position correctly, Otis is being employed by the State ASC Committee to work with the County ASC committee in this County as well as the county committees in several other West Tenn. counties. It will be his duty to keep the State Committee informe on the needs and thinking of our farm people. Since Otis had been a successful Grass Roots Farmer and a leader in a rural community I believe he is well qualified to fill the position he is being employed to fill. I would like to move that this Court authorize Judge Wheeling to write the State ASC Committee and express to them the Court's approval and appreciation for having selected A Weakley Countian and a man of Squire Carmichael's knowledge and caliber for this position.

Motion made by Esq. Harry Ryan and Seconded by Esq. Robert N. Glasgow that the foregoing Resolution be approved by the Court. Upon being put to a voice vote, same carried unaminously.
