James H. Westbrook reports to the Court that all proper notices had been given. Budget committee anticipated for the next fiscal year 360,204.000 in revenue sharing money from the federal Government. The committee recommends to the Court that we spend 380,000.00 for School Purposes or appropriate 380,000.00. The purpose of this hearing is to ask any citizen or any-body else that wants a copy of what we are spending our money for and special Senior Citizens are encouraged to make any comment. There being no comment on this. Discussion closed.
