RESOLUTION TO LEVY A COUNTY-WIDE

WHEREAS, Tennessee Code Annotated, Section 50802, authorizes counties to levy a motor vehicle privilege tax as a condition precedent to the operation of a motor vehicle within a county, and,

WHEREAS, the need for new revenue sources is great in Weakley County.

NOW, THEREFORE BE IT RESOLVED, by the Weakley County Board of County Commissioners that:

SECTION 1. For the privilege of using the public roads and highway, except state-maintained roads, in Weakley County, Tennessee, there is levied upon motor-driven vehicles, (including motorcycles and motor-driven bicycles and scooters), and upon the privilege of the operation thereof, except farm tractors, self-propelled farm machines not usually used for operation upon public highways or roads, and except all motor-driven vehicles owned by any governmental agency or governmental instrumentality, a special privilege tax for the benefit of such county, which tax shall be in the amount of Dollars (\$           .00) for each such motor-driven (and            Dollars (\$           .00) for each such motorcycles, or motor-driven bicycles and scooter).

This tax applies to, is a levy upon, and shall be paid on each motor-driven vehicle, the owners of which lives within, or usually stays within, or who operates such a motor-driven vehicle, on, over, or upon the streets, roads, or highways of said county, state-maintained roads excluded, for a period of as many as thirty (30) days, during any year hereafter.

SECTION 2. The tax herein levied shall be paid to and collected by the County Clerk of Weakley County, who shall collect this tax at the same time he collects the state privilege tax levied upon the operation of a motor-driven vehicle over the public highways of this State.

SECTION 3. Payment of the privilege tax imposed hereunder shall be evidenced by a receipt, issued in duplicate by the Clerk, the original of which shall be kept by the owner of the motor-driven vehicle, and by a decal or emblem also issued by the Clerk, which shall be displayed by affixing the same on and to the lower right-hand side of the windshield of the motor-driven vehicle for which the same was issued. (Provided, however, that the privilege tax decal for motorcycles, motor-driven bicycles and scooters shall be placed on the top portion of the gasoline tank, but if such tank is not visible then the decal shall be placed on any prominent and visible portion of said vehicle).

SECTION 4. The design of the decal or emblem shall be determined by the County Clerk; provided, however, that the decal or emblem for motorcycles, motor-driven bicycles and scooters shall be of different color than the decal or emblem issued for other motor-driven vehicles). The expense incident to the purchase of such decal and emblems herein required, as well as the expense of obtaining proper receipts and other records necessary for the performance of the duties herein incumbent upon the clerk shall be paid from the General Fund of the county.

SECTION 5. The privilege tax or wheel tax herein levied, when paid together with full, complete, and explicit performance of and compliance with all provisions of this resolution, by the owner, shall entitle the owner of the motor-driven vehicle for which said tax was paid and on which the decal or emblem has been affixed as herein provided, to operate or allow to be operated his vehicle over the streets, roads, and highways of the county for a period of one year which will run concurrently with the period established for the state privilege tax by Section 59-404 of the Tennessee Code.

In the event the wheel tax decal is sold by the clerk for a period of more or less than a calendar year, the fee imposed shall be proportionate to the annual fee fixed for the vehicle and modified in no other manner, except that the proportional fee shall be rounded off to the nearest quarter of a dollar.

SECTION 6. In the event any motor-driven vehicle for which the wheel tax has been paid and the emblem or decal issued and placed thereon, becomes unable or is destroyed or damaged to the extent that it can no longer be operated over the public roads, streets or highways of said county; or in the event that the owner transfers the title to such vehicle, and completely removes therefrom and destroys the decal or emblem issued for and placed thereon, and the owner makes proper application to the Clerk for the issuance of a duplicate decal or emblem to be used by him on another vehicle for the unexpired term for which the original decal or emblem was issued, and the Clerk is satisfied that the applicant is entitled to the issuance of such a duplicate decal or emblem, and the owner pays into the hands of the Clerk the sum of            Cents (\$            0) the Clerk will then issue to such owner a duplicate receipt, cancelling the original receipt delivered to him by the owner, and will deliver to the owner a duplicate decal or emblem, which shall be affixed to the motor-driven vehicle
