Vehicle Components

Listed below are the component parts that require proof of ownership. Identify those parts which were replaced on the subject vehicle during the rebuilding process. For each part marked, submit a receipt showing the year, make and identification number of the vehicle from which the part was removed. The receipt must also show the complete name and mailing address of the seller and buyer of the part. If the parts used were aftermarket or new, it must be indicated on the receipt. **Color photographs showing each quadrant of the vehicle in its damaged condition are also required.**

This form must be returned with the following information:

- The outstanding salvage certificate/title issued for the vehicle.
- Color photographs of the vehicle in its damaged condition, showing each quadrant.
- This form must be completed in its entirety and notarized.
- Receipts for all parts replaced as indicated on this form. The receipts must show the year, make and identification number of the vehicle from which they were taken. The receipts must show the complete name and mailing address of the buyer(s) and seller(s). If the parts used were aftermarket or new, it must be indicated on the receipt.
- If you hired someone to rebuild the vehicle for you, a notarized affidavit indicating the rebuilder's name and complete mailing address must be submitted. The rebuilder, other than yourself, may not appear in the chain of ownership.
- Individuals must submit a conversion fee of \$75.00.
- Licensed dealers must submit a conversion fee and an Application for Title, with a total fee of \$85.50. Checks should be made payable to the Tennessee Department of Revenue.

The application, supporting documents, and the required fee should be mailed to the following address:

Tennessee Department of Revenue
Special Investigations Section
Anti-Theft Unit
