WHEREAS, the people of the district or districts served by the new road should be interested enough in new and improved roads in their districts to furnish rights-of-way;and,

WHEREAS, Weakley County has no fund from which rights-of-way can be paid for,

THEREFORE, BE IT RESOLVED that the rights-of-way for Federal Aid Farm-to-Market roads and Browning Roads must be furnished by the district or districts involved, relieving Weakley County from the burden and expense of securing them.
