Esq. D. Z. Grooms made motion that Resolution of Respect be put on Minutes and a copy sent to widow of the late Esq. Henry Killebrew, seconded by Esq. Neal Tillman.

RESOLUTION OF RESPECT  
TO THE  
LATE ESQ. HENRY KILLEBREW

Whereas: The Angel of Death has again sounded his dread Alarm, upon the door of our Weakley County Court, and it is with profound Sorrow that we realize the Grim Reaper has summoned from this mortal life our beloved Senior member, Esquire Henry Killebrew to join that innumerable host whose spirits dwell with the immortals.

Whereas: For many, many years he had been an active member of our Weakley County Court, always laboring where his work was most needed, to elevate, dignify and enlarge the sphere of its usefulness. During his long and active career he honored many official stations, the duties of all of which he discharged with fidelity. Although Esq. Killebrew had long since passed the allotted span of three score years and ten - 'tis our with sorrowing hearts, to say, "God knowest best."

Therefore Be it Resolved: That we, the Judge and Members of the Honorable Weakley County Court, do hereby offer this, Our Resolution of Respect and Admiration for our deceased member, the Honorable Henry Killebrew, Judge of the Seventh Civil District of Weakley County.

Be it further Resolved: That -

A tender thought we bring to those  
Who mourn O'er a vacant chair-  
We know and feel that our Lord knows best,  
And our loved ones We'll meet over there.

Signed by,  
Resolution Committee:

Neal Tillman
