I. CALL TO ORDER – APPROVAL OF MINUTES

Chairperson Westbrook called the meeting to order at 4:45 p.m. and called for the consideration of the minutes from the meeting that was held on September 5, 2023. Commissioner Bell made the motion to approve, and with a second by Commissioner Doster, the motion passed unanimously.

III. NEW BUSINESS

Resolution 2024-15 Resolution Authorizing Budget Amendments for the Highway Fund for the Fiscal Year Ending June 30, 2024: Commissioner Bell made a motion to place the resolution on the floor for discussion. Commissioner Doster seconded. Commissioner Westbrooke explained that this resolution is coming before the committee because of a new understanding of the State Aid Road funding. Commissioner Bell asked for clarification and stated that, if he was understanding correctly, the state would now be reimbursing the county for State Aid Road expenses instead of the previously understood direct-payment-to-vendors process. Commissioner Westbrook confirmed Commissioner Bell was correct. Mayor Bynum explained that this information was learned after the Public Works meeting on September 5th but before the Finance, Ways, and Means meeting, so this was brought to that committee and now needs to be brought before Public Works. The resolution passed unanimously.

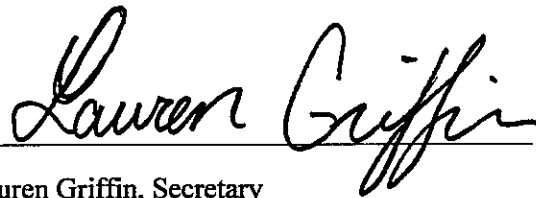

IV. OTHER BUSINESS

None

V. ADJOURN

Seeing no other business, Commissioner Doster made a motion to adjourn the meeting. Commissioner Freeman seconded and the meeting was adjourned at 4:51pm.

Respectfully Submitted,

Lauren Griffin, Secretary
Public Works Committee
