Instructions

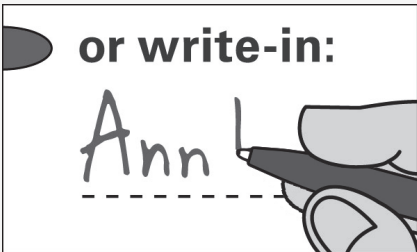

Making Selections

Fill in the oval to the left of the name of your choice. You must blacken the oval completely, and do not make any marks outside of the oval. You do not have to vote in every race.

An oval blackened to the left of the name of any candidate indicates a vote for that candidate.

Optional write-in

To add a candidate, fill in the oval to the left of "write-in" and print the name clearly on the dotted line.
