

RESOLUTION NO. 1991-64; Comm. Vincent moves to table this resoultion till further information can be gathered. Comm. J. T. Walker seconds the motion. After a voice vote, the ays have it.

The county commission voted not to install a large culvert on a private field access road to possibly avoid future liability for crop damage due to flooding caused the county installing a larger culvert under a county road and raising the road bed to prevent water running over the road. Comm. Brossard put the request on the floor and Comm. Bates seconded it. After a voice vote of 18 no's and 1 yes, request denied.

Comm. VanCleave makes a motion that the Weakley County Board of Education Bldg. Committee met with the Property Committee and that the budget committee put them on their agenda such that they consider their request and that the School Boad be put on the agenda of November session of the county commission for our consideration of the things that evolve out of the Property Committee and Budget Committee. Comm. Earl Wright seconded the motion and after a roll call vote, motion failed. 7 for, 11 against, 1 pass.

Comm. Vincent reported on the Communication Committee that has met twice. They have a really good working relationship with the School Board and County Commissioners. They are working on a Equal Education Progam for the county and for each student of the county. They will come later with a report for the education plan that is best for the county with facts and figures. The committee will be able to make a recommendation to the county commission and the people that we represent later.

Co. Exec. Kerry Killebrew on the appointment of the vacated seat. In conjunction with the redistrictioing process, Diane Wilkerson has requested we, the commission, do this as soon as possible. We need to do this before January, so Co. Exec. Killebrew as that whomevermakes the motion to recess, recess till somethime in November, when the commission is satisfied with the maps, we will advertise and give ten(10) days notice in the paper and to you. Motion to recess till November or December made by Comm. George Broussard and seconded by Comm. Wayne McCreight. After a voice vote , motion carried.
