

**RESOLUTION NO. 2020-27**

**RESOLUTION UPDATING THE WEAKLEY COUNTY WASTE TIRE PROGRAM**

**WHEREAS**, Weakley County provides its residents with solid waste management services, a convenience center for collection of solid waste, collective and disposal of used tires, solid waste education, waste reduction, and recycling programs; and,

**WHEREAS**, State statutory law at Tennessee Code Annotated, Section 68-211-866(b), requires each county shall provide directly, by contract or through a solid waste authority at least one (1) site to receive and store waste tires for the use of residents of the county; and,

**WHEREAS**, the facilitation of such a program and services imposes a large expenditure on the county; and,

**WHEREAS**, since September of 2015, a waste tire disposal fee program has been in place in accordance with Tennessee Code Annotate 68-211-866(b) and 68-211-835(g)(1), to allow the county to collect a reasonable fee bearing a reasonable relationship to the cost of providing services as well as to cover the cost of county handling tires above the amount reimbursed by the Tennessee Department of Revenue; and,

**WHEREAS**, the fee was established at \$2.00 per tire for Weakley County residents only, with no tire vendors permitted to utilize the convenience center for collection of and/or disposal of new or used tires; and,

**WHEREAS**, since the implementation of the program, the fees collected have exceeded the cost of providing services, and an adjustment to the program collection fee should be made.

**NOW, THEREFORE, BE IT RESOLVED** by the Board of County Commissioners of Weakley County, Tennessee, meeting in regular session on this the 18<sup>th</sup> day of November, 2019, that:
