

EXECUTIVE ORDER OF THE MAYOR OF WEAKLEY COUNTY

NO. 4

AN EXECUTIVE ORDER TO EXTEND EXECUTIVE ORDER NO. 1, A DECLARATION OF PUBLIC HEALTH EMERGENCY IN WEAKLEY COUNTY, TENNESSEE REQUIREMENT TO WEAR MASKS TO MITIGATE THE SPREAD OF COVID-19

WHEREAS, the President of the United States, the Governor of the State of Tennessee, and the Mayors of the numerous county and municipal governments throughout Tennessee have made emergency declarations related to the COVID-19 pandemic and have recognized it as a public health emergency; and

WHEREAS, the Centers of Disease Control and Prevention (CDC) and Tennessee Department of Health (TDH) advise the use of cloth or other types of face coverings to slow the spread of COVID-19; and

WHEREAS, immediate action to slow the spread of COVID-19 in our community will facilitate safer operation of governmental entities, healthcare facilities, businesses, and educational institutions; and

WHEREAS, widespread use of face coverings is believed to be effective in slowing the spread of COVID-19 by reducing the chances of symptomatic and asymptomatic people transmitting the virus to others, especially when used together with other protocols including 6-foot social distancing and hand hygiene; and

WHEREAS, on July 31, 2020, Governor Bill Lee signed Executive Order 55, declaring that a state of emergency continues to exist in Tennessee, and continues to strongly urge all persons to wear cloth face coverings or other similar coverings in public settings where being in close proximity to others is anticipated, and through Executive Order 55, extends the delegated authority to county mayors in the 89 counties that do not have a locally-run health department (including Weakley County) to issues requiring the wearing of face coverings within their jurisdictions, subject to certain limitations, for the purpose of slowing the spread of COVID-19; and

WHEREAS, Tennessee law, including, but not limited to Tennessee Code Annotated 58-8-104 and 58-2-110, empowers the County Mayor to declare a local state of emergency and to take whatever action is prudent and necessary to ensure the health, safety, and welfare of the community; and

WHEREAS, the number of positive COVID-19 cases in Weakley County and surrounding counties have significantly increased in the last fourteen days; and

WHEREAS, after consultation with healthcare professionals with West Tennessee Healthcare, the Tennessee Department of Health, local city mayors, and other state and local community leaders, the County Mayor finds that there is a consensus that the wearing of cloth or other face coverings should be required in certain circumstances, and that such a requirement should take effect as soon as possible for the health and well-being of the public;

NOW, THEREFORE, PURSUANT TO THE AUTHORITY DELEGATED BY EXECUTIVE ORDER 67; GOVERNOR LEE'S RECOGNITION OF A CONTINUING STATE OF EMERGENCY AND MAJOR DISASTER RELATED TO COVID-19; and Tennessee Code Annotated 58-8-104 and 58-2-110, I, Jake Bynum, Mayor of Weakley County, Tennessee, hereby declare a local State of Emergency in Weakley County, Tennessee, due to the COVID-19 pandemic, and further direct and order as follows:
